Concern: **Booking of hotel before the 1st of May** for World Cup event in June 2009 in
Eindhoven, the Netherlands

Dear Coach of the national boulder competition team,

As you probably know, on the 12th and 13th of June 2009, the last boulder World Cup
match will take place in Eindhoven, the Netherlands.

We would like to inform you that, because of a big musical event which will also take
place at the same date as the worldcup match in Eindhoven, there are hardly any hotel
rooms available in the city of Eindhoven.

Because of this inconvenience, the organisation of the Eindhoven boulder World Cup
match has done its uttermost best to find a suitable hotel for the athletes in the vicinity
of Eindhoven.

The hotel which has been found is the NH Hotel Koningshof in Veldhoven.

**To claim some of the rooms for your team the following information and
handling is very important:**

1. Your reservation has to be done **before the 1st of May!**
2. Per team one reservation has to be made (no individual reservations of athletes
will be accepted)
3. One contact person per team: Name, telephone number and email address!
4. Confirmation of your reservation has to be done with a down payment in advance
with credit card (no billing afterwards!)
5. At least one week in advance of the 11th of June, you have to supply the hotel
with a list of all the names of the athletes.
6. Reservations can be made by sending an email, containing the necessary info as
mentioned above, to b.verbeek@nh-hotels.com At 'subject' mention 'hoteldeal
World Cup Boulder'

When your team does not apply for rooms in the Koningshof in Veldhoven before the 1st
of May, we cannot guarantee that you will be able to find suitable accommodation for
your athletes in Eindhoven.

We are very sorry for the inconvenience caused by this.
